Important Health Warning About Playing Video Games

Photosensitive Seizures

A very small percentage of people may experience a seizure when exposed to certain visual images, including flashing lights or patterns that may appear in video games. Even people who have no history of seizures or epilepsy may have an undiagnosed condition that can cause these “photosensitive epileptic seizures” while watching video games.

These seizures may have a variety of symptoms, including lightheadedness, altered vision, eye or face twitching, jerking or shaking of arms or legs, disorientation, confusion, or momentary loss of awareness. Seizures may also cause loss of consciousness or convulsions that can lead to injury from falling down or striking nearby objects.

Immediately stop playing and consult a doctor if you experience any of these symptoms. Parents should watch for or ask their children about the above symptoms — children and teenagers are more likely than adults to experience these seizures. The risk of photosensitive epileptic seizures may be reduced by taking the following precautions: sit farther from the screen; use a smaller screen; play in a well-lit room; and do not play when you are drowsy or fatigued.

If you or any of your relatives have a history of seizures or epilepsy, consult a doctor before playing.

Welcome to Liberty City

With more sights, shows, restaurants, bars, museums, shopping and borderline psychopaths than you can shake a shotgun at, there is no place quite like Liberty City. Where else can you get sworn at by a senior citizen, accosted by a crackhead, propositioned by a prostitute and strip-searched by a police officer all before breakfast? Discover the history, culture and diversity that make this booming metropolis the capital of the world, at least according to the over-caffeinated locals. We encourage you to explore Liberty City's four boroughs and its islands, each with its own distinct atmosphere and personality. You will soon see for yourself that there is truly something for everyone. There is also Liberty City's ugly sister Alderney...if you care.

SURVIVAL INFORMATION

Locals

Liberty City's residents are known for their take-no-crap attitude. The best way to blend in is to walk quickly and look pissed off. Make eye contact at your own peril.

Valuables

Keep essential valuables like your mobile phone with you at all times. Your mobile phone holds all of your contacts and lets you access some important features throughout Liberty City. It's also perfect for drunk-dialing your ex at 4am.

SURVIVAL INFORMATION (cont.)

Crime

Don't be fooled by the glitz and glamour of Algonquin's bright lights and skyscrapers – organized crime, corruption and street gangs remain rife in all of Liberty City's boroughs. Familiarize yourself with the head butt...or the Bohan kiss as it is more commonly known.

Police

This is the city where anything goes, so long as you don't get caught. There has been a crackdown on crime in recent years and the police are everywhere in Liberty City these days. Keep your eye on the rear-view mirror and your foot on the accelerator.

Internet

The Internet isn't just for porn, advertising and identity theft anymore. You can also find love, or at least a desperate stranger prepared to sleep with you on the first date. Log on and surf the Net at any of the tw@ internet cafes around Liberty City.

Radio

Loud stereos impress people, especially girls. Always listen to the radio at full blast and keep an ear out for the real-time news updates. If you happen to hear a song that reminds you of your first arrest, call ZIT at 948-555-0100 and they'll track it down for you.

G.P.S.

G.P.S. was invented because real men do not ask for directions. Now you can get automatically rerouted when you handbrake past that last turn at 150 mph.

Nutrition

You will need some sustenance once in a while to keep your health up. Put your digestive tract through its paces at one of the many street vendors and fast food joints in Liberty City. A free knuckle sandwich comes with any complaints.

Multiplayer

For those times when running around Liberty City gets lonely, your friends are at your fingertips. Just pull up your mobile phone and select Multiplayer from the menu so you and your friends can cause havoc together. You can work in groups to take down some crooks, tackle co-op style missions or simply go after anything that moves, all throughout Liberty City.

Sightseeing

So many things to see and people to do - deciding where to go can be a daunting task in Liberty City. From Middle Park to Star Junction to Firefly Island, this vibrant city is jam-packed with famous sights and landmarks. It will take you weeks to even scratch the surface. Weazel News will tell you that the only people interested in Liberty City's historic buildings these days are democracy-hating terrorists but the Triangle Building, Grand Easton Terminal, Civic Citadel and Rotterdam Tower are pieces of classic architecture not to be missed. Liberty City also boasts some of the best shopping in the world so leave some time and room on your credit card to pick up a designer suit or semi-automatic weapon.

Statue Of Happiness

Happiness Island off Lower Algonquin

A gift from the French at the end of the 19th century, this iconic landmark evokes a bittersweet mix of patriotism and xenophobia.

Star Junction

Burlesque and Kunzite Street • Algonquin

Where the bright lights of Capitalism blink 24 hours a day. A great place to go if you like advertising.

Alderney State Correctional Facility

Grenadier Street • Acter Industrial Park, Alderney

Where men who "didn't do it" discover what they are prepared to do when deprived of female contact.

National Union Of Contemporary Arts (NUCA)

Dukes Boulevard at Bunker Hill Avenue • East Island City, Dukes

What makes one man on the corner of the street a ranting acid casualty and another a performance artist? Normally just some body paint. Visit NUCA and find your place in the artistic spectrum.

The Screamer

Funland off Crockett Avenue • Hove Beach, Broker

Too bad you can't ride the Screamer, because what could be more fun than riding a 100-year-old rollercoaster made of wood?

Club & Theater Guide

Like President Lawton's foreign policy, Liberty City's nightlife is always changing and people come from all over the world to experience an unparalleled range of entertainment options. From strip clubs to comedy clubs, the city offers exactly what you supposedly weren't looking for. Explore each of the boroughs' unique attractions and remember: what happens in Liberty City stays in Liberty City...until your friends post the photos on their MyRoom page the following morning.

Perestroika

Tulsa Street, between Mohawk Avenue and Oneida Avenue • Hove Beach, Broker

Travel back to a time when sawing a woman in half was still considered entertainment at this popular Russian cabaret club.

Memory Lanes

Located on the seafront in Firefly Island • Broker

Exercise doesn't have to involve breaking a sweat and that's why Americans love bowling. Go for that tricky 6-9 split secure in the knowledge that you are playing a sport.

Honkers

Tinderbox Avenue between Phalanx Road and Julin Avenue • Tudor, Alderney

Dry humping might be free on the subway, but there is no better way to unwind at the end of a hard day than a lap dance.

Split Sides

Frankfort Avenue at Jade Street • Star Junction, Algonquin

Not just the usual bunch of middle-aged manic depressives telling racist jokes, this famous comedy club also showcases some big-name celebrity guests.

RESTAURANTS

Restaurant Guide

From fast food outlets to swanky restaurants, Liberty City offers something for every diner. You can spend \$100 watching coked-up models push salad around a plate or \$10 watching a high-school dropout wipe his nose with your burger bun; the choice is yours. For the more gastrointestinally-adventurous, Liberty City's world-famous street meat is certainly worth a try. You don't have to be drunk, but it helps with the heartburn. Explore all of the neighborhoods and their local flavors to find your favorite spot.

Al Dente's

Albany Avenue at Calcium Street • Fishmarket South, Algonquin

Heavily processed food, deep-frozen in huge warehouses, just like mama never used to make it.

Drusilla's

Denver Avenue, between Emerald Street and Feldspar Street • Little Italy, Algonquin

The traditions of Italy live on at this establishment; just don't make any mafia jokes.

Superstar Café

Bismarck Avenue, between Ruby Street and Quartz Street • Lancaster, Algonquin

A winning bar-restaurant formula combining the Brits' love of bad food and the Americans' love of themed merchandise.

69TH Street Diner

Bart Street at Mohawk Avenue • Hove Beach, Broker

The pie here will warm anyone's cold heart. Stop in for classic diner fare as you wonder why it's on Bart Street.

PAID ADVERTISEMENT

What are you doing to us, America? Where has this sudden obsession with health come from? We don't spend billions of dollars targeting our advertising at children just for you to fill them with liberal ideas and plates of overpriced foliage. The combined GDP of the Third World is threatening to catch up with our monthly profits and soon the U.S. economy is going to be as tattered as your lower bowel after a week of eating BS Sluggers for breakfast.

Bar Guide

The best way to deal with problems is to drink through them and there are plenty of watering holes around Liberty City where you can stop off for a quick eye-opener or a liquid lunch. Many bars offer darts or pool and they all go by the motto, *party 'til she's cute*. Make some friends, meet some girls and start some fights with the locals.

Steinway Beer Garden

Yorktown Avenue and Morris Street • Steinway, Dukes

Slug 'em and toss 'em at this classic Irish drinking spot where darts are available for anyone who can still walk straight.

Comrades Bar

Mohawk Avenue between Bart Street and Crockett Street • Hove Beach, Broker

Don't try ordering caviar at this tough Russian hangout in Hove Beach or you might end up with a permanent smile on your face.

Lucky Winkles

Galveston Avenue and Hell Gate • Purgatory, Algonquin

A classic Purgatory dive bar, marinated in the blood, sweat and urine of drunken laborers for over a century. A 'hidden gem' and 'neighborhood secret' that is in all the guidebooks.

Homebrew Café

Tutelo Avenue • Beechwood City, Broker

Assume the goat is goat and don't ask where the beer comes from at this Jamaican bar where they take the smoking ban about as seriously as they take the local police.
